Recently Revised!

Featuring both historic and contemporary issues, *The Municipal Judges Book* critically analyzes the nature of municipal courts and the judge's role in the Texas criminal justice system. An ideal textbook for new judges and others interested in procedural and substantive laws impacting Texas municipal courts, the content includes (1) an introduction to municipal courts and the Texas judicial system, (2) judgments, indigence, and enforcement, (3) rights of the accused and victims, (4) contempt, (5) the adjudication of juveniles in municipal court, (6) judicial ethics, and (7) legal research. Book Bound (260 pages) \$25 each.

The *Texas Class C and Fine-only Misdemeanors* handbook (the "Green Book") represents a comprehensive effort to compile all Class C, fine-only criminal offenses under State law. Covering 25 codes and containing roughly 1,400 offenses, it includes statutory cites for both the offense and penalty provision, the fine or fine range for each offense, DPS reporting codes for those offenses that have assigned codes, and notes for those offenses that are enhanceable or for which circumstances would heighten the punishment category. A new appendix contains the list of moving violations promulgated by DPS in the Texas Administrative Code.

The 2010 edition contains many new offenses and significant changes from earlier versions. Spiral Bound (128 pages) \$10 each.
