S.B. 480 repealed problematic Government Code Section 29.012 and replaced it with a comprehensive series of procedures located in Subchapter A-1 of Chapter 29 of the Government Code. These new highly detailed laws, adapted from Texas Rule of Civil Procedure 18a, are designed to accommodate all sizes of municipal courts, and strike a balance between uniformity in application of the law and judicial efficiency. The new series of laws can be used in any kind of criminal or civil case in which a municipal court has jurisdiction.

Funded by a grant from the Texas Court of Criminal Appeals
