Planning for Level III

***Please ensure you are using a current copy of materials by downloading from the TMCEC website:
<https://www.tmcec.com/clerk-certification/level-iii/>.***

The Municipal Court Clerks Certification Program is intended to challenge court personnel in the area of professional development and continuous improvement. It consists of three (3) levels of competency.

The Level III portion of this program is essentially a self-study course, which requires the participant to read and comprehend a variety of books, excerpts and/or professional journals, and subsequently pass a high-level competency exam.

Upon achieving Level III certification, a clerk will receive an official certificate designating him or her as *Certified Municipal Court Clerk* (CMCC) and is then entitled to utilize the post nominal initials (designatory letters) of CMCC as accreditation in a resume, with their signature, name and title. Additionally (for clarification), upon achieving Levels I and II, clerks may also utilize the post nominal initials of CCCI and CCCII, accordingly.

The information in this packet was developed to provide certification participants with an overview of the steps required for this final level. It contains the following information:

- Overview of the Level III process & rules of participation;
- Recommended "Course of Study" & education requisites;
- Overview of court observations & journal requirements;
- Overview of journal grading & review process;
- Book List with provider and costs
- Level III book loan program information; (*Attachment A*);
- Book Loan Refund request form (*Attachment B*);
- Court Observation Verification Form (*Attachment C*);
- Level III Observation Journal Grading Rubric (*Attachment D*); and,
- Level III Certification Application (*Attachment E*)

If you have questions regarding the information in this packet, please contact TMCEC at 512.320.8274 or certification@tmcec.com.

Course of Study

A **course of study**, also called *core curriculum*, refers to a series of courses and other requirements that all participants are required to complete before they can apply and achieve the final designation of a *Certified Municipal Court Clerk*.

The general educational purpose of a course of study is to ensure that all participants take and complete course work that is considered to be academically and culturally essential. This course of study consists of components that teach participants the foundational knowledge and skills they will need for managing people and processes within a municipal court. This course of study for the Level III program is intended to be completed in less than a three (3) year period but has an exam expiration of five (5) years. The significance of this time frame is directly related to ensuring the professional journal has current and relative information within the document that would not cause the reader to fail the journal for inaccurate or unlawful practices.

The following is a list of the course work to be completed in chronological order:

Phase 1: Reading & Education (Target time for completion – 1 year)

1. Obtain Level III books and begin the self-study & required reading;
2. Create an exam calendar based on your personal testing style;
3. Register for and pass each part of the Level III exam (*each part expires on the 5th anniversary*);
4. Register for and attend the Level III Assessment Clinic (no expiration date);
5. Register for and attend the Court Administrator Seminar (expires on 3rd anniversary);
and
6. Complete an additional 28 hours of continuing education (up to eight may be completed online/virtually in a non-live environment).

Phase 2: Court Observation & Professional Journal (Target time for completion – 1 to 2 years)

1. Read the *Journal & Observation Planning Guide*;
2. Review the minimum standards & evaluation criteria on which your journal will be graded;
3. Create a list of courts to visit for observation within population requirements;
4. Create a personalized plan for your professional journal related to style & content (expires on 2nd anniversary);
5. Draft journal entry & notes;
6. Complete final edits; and
7. Submit the journal and the required attachments to TMCEC by email (*may take up to 45 days for results to be received; the participant may be asked to make corrections, improvements or other changes before passing*).

Once all Level III requirements are completed, compile and submit the application packet with required documentation.

MUNICIPAL COURT CLERK CERTIFICATION PROGRAM LEVEL III REQUIREMENTS

Partners & Sponsors

The Texas Court Clerks Association (TCCA) in cooperation with the Texas Municipal Courts Education Center (TMCEC), and Texas State University-San Marcos sponsor the Municipal Court Clerks Certification Program.

Prior Certification Required

To be eligible to participate in Level III of the Municipal Court Clerks Certification Program, participants must have already achieved Levels I and II of the Certification Program. Proof of certification in good standing for the annual maintenance hours (CEUs) must be provided during the application process.

Reading & Self-Study

Participants are required to read a variety of books, excerpts and/or professional journals. See <https://www.tmcec.com/clerk-certification/level-iii/> for a current list. The books are available online and for purchase from a variety of sources. Many titles may be found in local and university libraries. The estimated cost of a set of books is \$500 (new). A limited number of sets are available for loan from TMCEC or TCCA's Education Committee. TMCEC requires a \$100 deposit to participate in the book borrowing process. See *Attachment A* to request books from TMCEC or visit <https://www.tmcec.com/clerk-certification/level-iii/>. A refund request (*Attachment B*) must be made for the borrower's deposit to be returned.

Self-Study Techniques

To streamline the study process, each part of the exam has been assigned specific books from the required reading list. If the exam is taken in parts, all parts must be passed within five years of the first part passed. Study questions for each book are available on the TMCEC website: <https://www.tmcec.com/clerk-certification/level-iii/>.

Additionally, many participants recommend study partners or groups, which increase retention and facilitate discussion of the subject matter. Using the "Book Club" format is a valuable study tool. While participation in current review sessions is always recommended, TCCA has made recordings of past virtual book club meetings available on their website. However, please note these are for informational purposes ONLY and do NOT qualify for certification/education hours.

Mentor Program

Participation in the mentor program can be helpful. Mentors are assigned after attendance at the Level III Assessment Clinic each year. The program creates an opportunity to communicate with a current Level III clerk. For more information, please contact the TCCA Education Committee.

Self-Study & Required Reading

Exams

Clerk Certification Exams are offered through TMCEC on the first day of each TMCEC regional clerk seminar, the Court Administrator Seminar, the Juvenile Case Manager Seminar, and the Municipal Traffic Safety Initiatives Conference (MTSI) and on the last day of the Level III Assessment Clinic and New Clerks Seminars. Exams are also offered through TCCA at locations across the state at various times throughout the year and at the TCCA annual conference. Exams are no longer offered by individual appointments, but the schedule does provide an array of locations across the state for your convenience, many of which are in the Austin area. The Level III exam can be taken as a complete unit or it can be taken in three different parts – Part A, B, & C. Participants must pass all parts of the Level III exam covering the domains listed above based on self-study and required reading.

Level III Assessment Clinic

Participants are required to successfully complete a 24-hour assessment clinic. The assessment clinic emphasizes role-plays and simulations on workplace problems, employee appraisals, conflict resolution, dealing with diversity, preparing a cost benefit analysis, and working in teams. Participants should become familiar with the Level III books **prior** to attending the Level III Assessment Clinic.

Please visit www.tmcec.com for registration information.

Court Administrators Seminar

All applicants must provide proof of attendance and successful completion of a TMCEC 12-hour Court Administrator program that has not yet passed the 3rd anniversary.

28 Hours Additional Education Required

An additional 28 hours of education that has not yet reached its 3rd anniversary must also be provided as a part of the application process.

Court Observations

Participants are required to complete the court observation component within **two (2) years of the date of the first court observation**. The observation component consists of 40 hours of municipal court observation broken down by city population in the following way:

Required # Hours	Court Volume	Municipality Population
At least 4 hours	Low-volume courts	10,000 or less
At least 4 hours	Medium-volume courts	10,001 to 249,999
At least 4 hours	High-volume courts	250,000 or greater
28 additional hours	Any volume court(s)	Any of the above
40 Hours Total		

The following 12 courts are considered large courts for the purpose of this program. These courts are:

Arlington	Dallas	Houston
Plano	Austin	El Paso
Laredo	San Antonio	Corpus Christi
Fort Worth	Lubbock	Irving

Composition of Professional Journal

Participants must compose and submit a professional journal to TMCEC with the original court observation verification form. See *Attachment C* for specific information on this requirement. Also, to perfect this component, you must use the “**Court Observation & Professional Journal Planning Guide.**” This guide has been designed to walk participants through the journal creation process. It includes multiple rules, tools, and suggested practices to ensure you understand the expectation of the reviewers. Additionally, it includes a breakdown of the grading rubric and a list of mastery components each journal will be scored against. To access it, visit <https://www.tmcec.com/clerk-certification/level-iii/>.

Submittal of Academic Journal

Journals are confidential and copies are not retained by TMCEC. Each participant must keep a copy for their records. Journals should be submitted electronically to certification@tmcec.com.

Submittal must include three attachments: one copy of the journal (without any identifying information), one cover page (including all applicable identifying information) and a “Court Observation Verification Form.” The TMCEC recipient will electronically distribute journal copies to all graders. The review and grading process may take up to 45 days. Journals that have not been submitted in accordance with the rules will not be reviewed and notice will be sent to the participant in writing. Journals must achieve an average score of 70% or higher to pass (cumulative average between all graders).

Journal Failing Results

In the event of a score below 70%, participants will be notified in writing of the areas within the grading criteria that need improvement. Second submittals may be completed and returned at any time, keeping in mind the importance of the expiration dates of the observation.

Journal Passing Results Notification

Participants will receive notice in writing by email of the passing results from the journal submittal. This letter is a required document for the Level III application process. It must be retained in your personal records.

Application for Level III

After completing all of the requirements for Level III, the participant must submit an application along with proper documentation of successful completion of all the requirements. See *Attachment F* for application. Upon achieving Level III, participant will receive an official certificate designating him or her as Certified Municipal Court Clerk (CMCC) and is then entitled to utilize the post nominal initials (designatory letters) of “CMCC” as accreditation in a resume, accompanied by their signature, name and title.

Annual Maintenance

During each academic year between the dates of September 1 and August 31, a Level III Clerk must take a minimum of 20 hours of education. Of the 20 hours only 8 may be completed through online resources (not in person). Level III requires an annual renewal form rather than an automatic renewal process. This renewal form is located on the Clerk Certification Tab on the TMCEC website.
